

PUBLIC ANNOUNCEMENT
Sections 153.65-.70, Ohio Revised Code

The Board of County Commissioners of Fayette County, Ohio, will receive Statements of Qualifications from interested design firms for engineering, architectural and/or planning services until 4:00 P.M. on September 21, 2018. Firms interested in being considered for contracts to provide design services for various projects in Fayette County, Ohio during the twelve (12) month period commencing October 1, 2018 to October 1, 2019 should submit a Statement of Qualifications, which should include information regarding the firm's competence to perform professional design services indicated by the technical training, education, and experience of the firm's personnel, particularly those persons who would be assigned to perform services in Fayette County, Ohio. Statements should also include information relative to workload and availability of qualified personnel, equipment and facilities to perform the required professional design services competently and expeditiously and past performance of the firm as reflected by the evaluations of previous clients with respect to such factors as control of costs, quality of work, and meeting of deadlines. Statements shall also address the firm's familiarity with the County, including previous experience with the County and other public agencies in Fayette County, Ohio.

Statements of Qualifications should be sent to Dana Foor, Adm. Clerk of the Board of Fayette County Commissioners, 133 S. Main Street, Suite 401, Washington C.H., Ohio 43160.

The Board of County Commissioners will select three (3) firms to be notified of specific pending projects during the twelve (12) month period. Firms selected based on Statement of Qualifications will be notified when a contract for a specific project with an estimated design fee of more than \$50,000 becomes available for submission of more specific qualifications. No other notification will be made. Firms are encouraged to update their Statement of Qualifications, as they deem appropriate.
